Herb Hetu
Director of Public Affairs
Central Intelligence Agency

Dear Herb:

Over the last few years, we have spent a good deal of time covering the United States Government. I can recall no situation where we have received the quality and kind of cooperation that we received from you and the Central Intelligence Agency in doing our recent picture story.

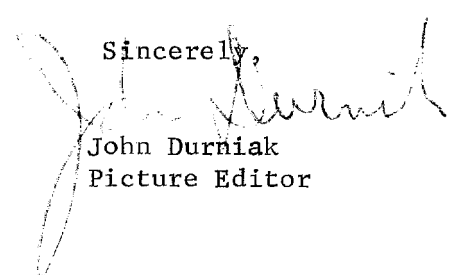

Stanley Tretick, our photographer, was amazed at the efforts your people put forth to help him clear the way for pictures, set up lights, and gain subjects' cooperation.

I would also like to express my personal thanks to you for the understanding and cooperation you gave to me during the day I spent with you at your offices.

I have received nothing but compliments on the story here at Time. Without you, Herb, we could not have done it.

Hope to see you in New York soon.

Sincerely,

John Durniak
